KEY FEATURES

Original IDT System™

Original since 1968. The integrated Dual Feed from PFAFF® precisely feeds all types of fabric from the top and bottom for perfect stitching every time.

Large Sewing Space

The sewing area to the right of the needle is 200mm, great for large sewing projects.

29 Needle Positions

For exact placement of your straight stitch. Perfect for topstitching, edge stitching, under stitching, quilting or stitching-in-the-ditch.

Extra Presser Foot Lift

Raises the presser foot to its highest position so that thick fabrics can be placed easily under the presser foot.

Speed Slider

Adjust sewing speed on your PFAFF® ambition sewing machine for full control.

One-Step Buttonhole

With the One-Step Buttonhole Foot, you can easily sew buttonholes with consistent results every time.

Built-in Needle Threader

Makes threading easy and reduces eye strain.

SEWING FUNCTIONS

Needle Up/Down

Set needle to stop up or down in the fabric for pivoting, applique and more.

Immediate Tie-Off

When selected the machine will tie-off automatically for quick and easy finish.

Twin Needle Program

Enter twin needle size to automatically adjust the stitch width to prevent needle breakage. The twin needle setting is shown on the screen.

Elongation

Your machine automatically adjusts for longer stitches without sacrificing stitch density.

Stitch Width Safety

Limits stitch width to center needle while using straight stitch needle plate and/or straight stitch presser foot to prevent breakage.
